Multilingual workforce
Current Reality for Requesters

- Poor Experience for both Employer and the Employees leading to loss of jobs
- Verification formats not acceptable to employers
- Lack of Written Confirmations
- Delayed Verifications
- Refusals to verify by the IA’s

The Plight of Expat Professionals

Poor Experience for both Employer and the Employees leading to loss of jobs
Verification
Challenges of Issuing Authorities

- Unclear Government Directives around sharing of information
- Communication Issues due to language barriers and lack of communication infrastructure
- Turn Around Times of 2-3 months
- Lack of dedicated resources, multiple sources of requests and lack of audit trails
- Risk of fraudulent Practices within the IA's and collusion with the applicants

Eventually the Alumni suffer and lose their jobs ...
Reachouts to Issuing Authorities in countries with maximum challenges
A Comprehensive Approach to work with the Issuing Authorities

- Protecting Issuing Authorities reputation by ensuring their genuine, qualified and competent alumni apply for jobs
- Assisting Issuing Authorities in maintaining high standards of Integrity and safeguarding their alumni’s reputations
- Exposing fraudsters by verifying and checking their qualifications against Issuing Authority databases / through semi automated interfaces
Streamlined Verification Request Process with DigiFlow from over 1200 Issuing Authorities in several countries
